# Das umweltbewusste Teelicht

*The eco-sensitive Tea Light*

- ✓ Hülle: 0 % Aluminium
- ✓ Wachs: 0 % Paraffin – 0 % Palmöl  
– 100 % Soja oder Raps
- ✓ Ressourcensparend  
– 100% recycelte Kunststoffe
- ✓ Bis zu 70 % weniger Kunststoffe  
bei der Herstellung der Hüllen  
(patentiert)

- ✓ *Cups: 0% Aluminium*
- ✓ *Wax: 0% Paraffin – 0 % Palm Oil  
– 100% Soy or Rapeseed*
- ✓ *Resource saving:  
we only use recycled plastic and need 70%  
less plastic than other manufacturers.*

Die Cup Candle GmbH wurde im Jahr 2014 gegründet und ist in Greven, Mecklenburg Vorpommern ansässig. Wir verwenden einen wesentlichen Teil unserer Ressourcen für Forschung & Entwicklung, um so das Massenprodukt Teelicht nachhaltiger zu gestalten. Unsere innovative, patentierte Technologie erlaubt uns eine Herstellung mit hohem Wirkungsgrad und einer signifikant verbesserten Ökobilanz.

*Cup Candle was founded in 2014 in Greven, Mecklenburg Vorpommern (Germany). We use a significant part of our resources for research and development in order to create a more sustainable tea light. Our patented technology enables us to manufacture our product with higher efficiency and an improved ecological footprint.*

Wir ersetzen umweltbelastende Aluminiumhüllen durch recycelbare Kunststoffcups aus recyceltem Plastik. Wir kommen ohne Palmöl und Paraffin aus und sind somit das umweltfreundlichste Teelicht auf dem Markt. Unser Ziel ist es, mittelfristig ein kompostierbares Teelicht zu launchen.

*Instead of aluminium that is harmful to the environment we use recyclable plastic cups made out of recycled plastic. We replace palm oil and paraffin by using soy and rape seed. Therefore, we are one of the most eco-friendly tea lights on the market. Our objective is to launch a compostable tea light soon.*

Brillante Leuchtkraft  
Die transparenten Hüllen erzielen eine  
brillante Leuchtkraft und ein strahlendes  
Licht in alle Richtungen

*Brilliant shine  
The transparent or colored translucent cups  
achieve a much brighter and warmer shine.*

Sauberer Abbrennen und schöne Flamme  
Wir verwenden 100% rein pflanzliche Rohstoffe

*The tea light produces less soot by using high  
quality plant and natural oil.*

- ✓ Vom Docht bis zur Verpackung  
„Made in Germany“
- ✓ Geringere Wärmeableitung der  
Kunststoffhülle
- ✓ „Click & Light-Technologie“ – einfache  
Entnahme aus dem Magazin und eine  
geordnete Aufbewahrung
- ✓ RAL geprüfte und zertifizierte Teelichte

- ✓ *Our high quality products are  
made in Germany*
- ✓ *Less heat dissipation – in comparison to  
aluminium cups the plastic cups produce  
less dangerous heat.*
- ✓ *The „Click & Light Technology“ greatly  
simplifies the handling – the customer  
only needs to push the cup out of its  
pre-cut frame*
- ✓ *Production and ingredients comply with  
RAL standards*
